12:40 ALABASTER OR CAST GLASS

BY ARTICOLO STUDIOS

12:40 is a harmonious fusion of architectural design and lighting innovation.
Unique to this collection is the ability to expertly tailor the finish of the 12:40 shade to match the wall finish creating a seamless sculptural element that blurs the line between art and ambient lighting.
With a range of bespoke applied finishes available, as well as travertine, alabaster, cast glass and exquisite Italian timber veneers, the 12:40 sconce is a symbol of refined architectural elegance.

**Alabaster is a natural stone, and as such, each shade is inherently unique. Variations in colour, veining, translucency, and surface are expected and should be considered part of the product's character. These features are intrinsic to alabaster and align with the design intent of the collection.
