

AGNES CASCADE 20 LIGHTS

BY ROLL & HILL

Originally conceived as a candelabra, Agnes takes its inspiration from the fictional heroine of the same name, a worker in the world's oldest profession during the 1849 California Gold Rush. The modular system would allow Agnes easy setup in her makeshift "workspace." In this version, glowing glass tubes replace the candles. Articulated joints allow the glass to be arranged in a multitude of ways.

Dimensions

Appx. L 29in/74cm x W 26in/65cm x H 102in/259cm
