

AH501 OUTDOOR DINING CHAIR

BY CARL HANSEN & SON

Carl Hansen & Søn presents AH Outdoor Series – a stackable outdoor collection that combines rigorous design with soft details, designed by Danish architect Alfred Homann.The AH Outdoor Series features a rigorous aesthetic paired with Homann's sense of soft shapes – as evidenced in the beautifully curved armrests, backrests, and seats, where the braces elegantly grip the frame. These joints are meticulously polished by hand by the skilled craftsmen at Carl Hansen & Søn, to achieve a soft and tactile surface. All the tables and chairs can be stacked for ease of storage when not in use, exemplifying Homann's attention to detail and understanding of form and function.
