

ALBIREO SOFA SYSTEM

BY DE LA ESPADA

Albireo Sofa by Anthony Guerrée is a flexible seating system with gentle curves and a tall backrest, offering refined style and deep comfort. With just six key modules, Albireo Sofa can achieve numerous configurations with a sense of dynamism. The upholstered form is punctuated by timber feet and optional timber side tables.

Named after the double star in the constellation Cygnus, Albireo is inspired by Guerrée's recurring dream of spending a starry night in Joshua Tree Park gazing up at the Summer Triangle asterism.
