

BARBER & OSGERBY PITON STOOL

BY KNOLL

A new collection of stools designed by Edward Barber & Jay Osgerby for KnollStudio offers a relaxed, contemporary attitude toward interior design. The stools feature a robust cast aluminum base finished with a highly durable powder coat paint in a variety of colors. The geometric, elementary framework of the base is an interpretation of the familiar tripod structure; its tripod legs visually contained by two rings.

Dimensions

Fixed Height Stool: 14.5"W x 14.5"D x 18"H

Adjustable Height Stool: 14.5"W x 14.5"D x 18-22"H

Material Options

Base Finishes: Jet Black, Medium Metallic Grey, Red Coral, Sterling, White
