

BAT DINING CHAIR

BY GUBI

The Bat Dining Chair, designed by Danish-Italian design-duo GamFratesi, carries strong references to the interesting characteristics of bats, with its inviting, distinctive shell reminiscent of the shape of a bat's wingspan.

Dimensions

24.02" W x 22.05" D x 33.46" H
(61 x 56 x 85 cm)
