

BOCCI 93T

BY BOCCI

93t is a single hand-blown glass pendant used with the table light hardware, which includes an integral dimming system housed within a sleek cylinder. The black fabric cord is semi-rigid and may be sculpted to add form.

93 series pendants can pair with the table light hardware, which includes an integral dimming system housed within a sleek cylinder. The black fabric cord is semi-rigid and may be sculpted to add form. The brass or black stand has a small notch on the underside, allowing it to be hung on a wall.
