

BUBBLE CHANDELIER ORIGINAL MEDIUM

BY PELLE

Ethereal and iconic, the Bubble Chandelier is a modern re-interpretation of the crystal chandelier. Its luminous constellation of delicate glass globes adds beauty and depth to any interior environment. The Bubble Chandelier is available in a series of twelve distinctive variations. Each chandelier is handcrafted to order in PELLE's Manhattan-based studio. The light's decorative coiling, available in natural cotton and leather cord, is meticulously done by a practiced hand.
The Original Bubble Chandelier is one of our most compact lights, featuring three bulbs set within a cluster of glass globes. It is ideal over a small table, bedside table, powder room, closet, or can be suspended in groupings in larger spaces.
