BY PELLE

Ethereal and iconic, the Bubble Chandelier is a modern re-interpretation of the crystal chandelier. Its luminous constellation of delicate glass globes adds beauty and depth to any interior environment. The Bubble Chandelier is available in a series of twelve distinctive variations. Each chandelier is handcrafted to order in PELLE's Manhattan-based studio. The light's decorative coiling, available in natural cotton and leather cord, is meticulously done by a practiced hand.
The Tall Bubble Chandelier is an elongated, linear light composition featuring four bulbs set within a tall cascade of glass globes. It is ideal in a stairwell, atrium, or loft space and can be used in place of a floor lamp.
