

CALLA TABLE LAMP

BY IN COMMON WITH

A handmade table lamp that pairs a graceful silhouette with eye-catching embellishment. Calla's shades are made using a modern variation on a centuries-old practice, which involves applying handmade glass details—in this case, rounded fins whose colors deepen when illuminated—to blown glass surfaces.
Fitted with hand-finished brass details and a dim-to-warm bulb.

Dimensions

Petite: 5 ¾ in Diameter x 7 ¾ in H
Medium: 10 in D × 11 in W × 15 ¾ in H

Material Options

Available in a wide selection of colours and coloured embellishemnts and choose from several metal finishes.
