

CALMO LOUNGE CHAIR 95

BY FREDERICIA

The Calmo Lounge Chair 95 features clean lines and discrete curves. Signature details include the gentle, graceful curve of the inside of the arm rests. Look closer and you'll see a subtle, discrete seam that swerves from the inside to the outside of the arm rest ending at the back of the sofa. The continuous arm stitching that flows like a stream from the curvy inside of the arm, making its way to the outside and finally turning around and ending at the back of the sofa. Details intuitively designed to virtually disappear.
