

CH011 COFFEE TABLE

BY CARL HANSEN & SON

The rectangular CH011 coffee table, designed by Hans J. Wegner in 1954, embodies the ideal combination of utility and ability to complement the surrounding environment. Made out of solid wood, the stable and stylish table communicates a certain lightness and pairs well with almost any sofa or lounge chair.

Dimensions

51" W x 21.5" D x 17.5"H, 19"H or 21" H
