

CH102-104

BY CARL HANSEN & SON

Wegner's CH102, CH103 and CH104 sofas are a series of beautiful and luxurious sofas available as 2, 3 and 4-seater sofas. Great on their own, they also make the perfect group with, for example, his matching CH101 lounge chair and CH106 glass coffee table.
The sofas are handmade over a beech wood frame, and feature fully-upholstered turnable cushions made from a foam core surrounded by European down and cold foam. The legs, the visible frame and the front of the armrests are all made of stainless steel. Designed by Hans J. Wegner in 1970.
