

CH20 ELBOW CHAIR

BY CARL HANSEN & SON

An attractive and simple stackable dining chair. The low back and horizontal seat also mean that it makes an excellent desk chair. Hans J. Wegner experimented with new materials such as moulded veneer, and the chair's seat is made from 11 layers of this material – giving it perfect stability. The seat is available upholstered in fabric or leather.

Dimensions

21.5" W x 18" D x 29" H, Seat Height: 18"

Material Options

Available in a variety of finishes in beech and oak. The seat is available upholstered in fabric or leather.
