

CH28P LOUNGE CHAIR

BY CARL HANSEN & SON

An exceptionally comfortable armchair and a typical Wegner piece – functional and sculptural with an exceptional finish and available in solid wood or upholstered. The armchair is closely related to Wegner's famous dining chair, the Sawbuck Chair. The chair is available in oak or as a combination of oak and walnut sourced from sustainable forestry, and the seat and back are fabric or leather. The chair was designed by Hans J. Wegner in 1951.
