

CH30P CHAIR

BY CARL HANSEN & SON

The CH30 dining chair showcases Wegner's signature style: His organic design and exceptional craftsmanship can be seen in sophisticated details such as the cruciform cover caps on the curved, oval backrest that pitches back in line with the rear legs to achieve ultimate comfort. Combined with the wide, form-pressed padded seat it makes for a chair with a high level of comfort and functionality.
As the highly comfortable chair can be tucked under a table, it only takes up limited space which makes it ideal for any modern context.
