CH327 DINING TABLE

BY CARL HANSEN & SON

Hans J. Wegner's 1962 CH327 dining table exemplifies how dedication to craftsmanship can fulfill the inherent promise of a great designer's work. The tabletop seems to float above the frame thanks to the tapered edges of the legs, making the design of the table appear very lightweight. It is available in two sizes and with extension leaves.

Dimensions

75" W or 97.5" W x 37.5 " D x 28.5" H

Material Options

Available in a variety of finishes in beech, oak, walnut, oak/walnut combination. The table accommodates up to two MDF extension leaves in black or grey, ordered separately.
