

CH33 DINING CHAIR

BY CARL HANSEN & SON

A modern dining chair that offers great comfort and stability. CH33 is a classic chair that appears contemporary despite clear design references to the simple lines of the 50s and 60s. The chair's upholstery is available in both fabric and leather. You can also choose to mix and match the woods used with the back and the wooden seat made from one type of wood and the frame from another.
