CONCHE SCONCE

BY SERGE MOUILLE

Throughout the 1950s Mouille designed large, angular, insect-like wall mounted and standing lamps with several arms and smaller, more curved wall sconces. He worked to achieve a kinetic, sculptural aesthetic that evoked a sense of movement in space.
Curved and fluid, simple in design, the Conche Sconce embodies the same qualities as its name sake. The lamp rests on a small stem which allows the shade to tilt and move to the ideal position for each application.

Dimensions

16" W x 8" D x 8" H

Material Options

Finishes: Black or white
Lacquered aluminium and steel with brass ball joints
Each lamp is stamped and numbered
Available in a left or right version
