

CONDESA MIRROR

BY STUDIO BENU

“Condesa" is the first collection inspired by a journey shared by two friends, Golshaah and Studio Benu, in a city full of life and creativity. The name, meaning “countess" in Spanish, evokes a sense of elegance and refined beauty.
Each piece in the “Condesa" collection—from mirrors to lamps, tables to sofas — features spherical forms that reflect the essence of Mexican design. The textures and shapes are crafted with a deep appreciation for design and culture, capturing the spirit of their experience.
“Condesa" is just the beginning of a wonderful journey filled with art, creativity, and heartfelt passion
