

CONSTELLATION SURFACE MOUNT

BY TRACY GLOVER STUDIO

Inspired by drawings of constellation formations, this sconce can be configured in different ways, and can also be mounted on the ceiling! Glass rondels are mounted and overlapped, diffusing the light from the candelabra sockets

Dimensions

72" wide x 46" high x 5.5" deep
Custom configurations available
Backplate dimensions, 7" diameter x 1.5" deep
Rondels available from 12" - 14" diameter
