

DRAPE ARM

BY SKLO

The Drape Arm 8 Chandelier consists of individual pendants suspended in an oval or round pattern from a spoke brass armature suspended in turn by a rigid brass stem. The glass diffusers are available in three shapes and in both "dipped" glass, featuring the SkLO double-dipped flame-polished mouth and "textured" glass, featuring a soft, frosted finish and subtle sculpted vertical ridges. Each pendant is suspended on a?fabric-wrapped electrical cord. The exposed cords leave the?canopy and pass through the ends of the individual arms.
