

DUBOIS BED

BY DE LA ESPADA

Dubois is a bed system crafted in premium solid hardwood and luxurious fabrics. The wraparound headboard provides a sense of privacy, while the exposed timber frame and generous expanse of upholstery celebrates the quality of materials and craft. Suitable for residential or contract environments, the bed is available with a tall headboard, with or without integrated bedside tables.

Material Options

Available in American black walnut, American white oak, or European Ash in a range of finishes, and a range of fabric and leather options.
Please note that when using leather to upholster the expansive surface of the headboard, our craftspeople will use their discretion to ensure the natural variations in the hide's colour and grain are most elegantly displayed. This may mean adding stitch lines to the headboard.
