

E015 EMBRACE LOUNGE CHAIR

BY CARL HANSEN & SON

The E015 Embrace Lounge Chair is both elegant and comfortable. The chair frame is crafted from wood and visible from all angles. The curved back is formed from three pieces of wood connected by classic finger joints.

Dimensions

29.5"W x 31.5"D, 33.5" H, Seat height: 16", Arm height: 24.5".

Material Options

Embrace Lounge Chair is produced in solid oak or walnut in a range of finishes, and with leather or fabric upholstery. The upholstery and edging strip is available in various combinations.
