

E016 EMBRACE OTTOMAN

BY CARL HANSEN & SON

Embrace Footstool (E016) is part of the Embrace series, which also comprises Embrace Lounge Chair and Embrace Chair. Design-wise, the chair appears precise while radiating casual elegance. The footrest is the ideal partner for the Embrace Lounge Chair, or can stand alone as a sculptural alternative to a coffee or side table, while also serving as a practical extra seat.

Dimensions

27" W X 15"D X 16" H.

Material Options

Embrace Footstool is available in solid oak or walnut with different surface treatments, and upholstered in leather or fabric. Upholstery and edge trims are available in a range of variants and combinations.
