

E300 EMBRACE SOFA COLLECTION

BY CARL HANSEN & SON

Several years in the making to ensure a design that would stand the test of time, the Embrace Sofa has a classic look and a contemporary casualness. The modular design minimizes the materials used so that the look embodies the design and the design embodies the look – without compromising on comfort or function.
Blending effortlessly into any space, the versatile design can be adjusted to any need – whether classic, symmetrical, expressive or sculptural. Create your perfect form with the online configurator.
