# ENDLESS STRAIGHT 3 UNITS

**BY ROLL & HILL**

Jason Miller's Endless collection takes its inspiration from 1970s Super-graphics. After the reductionist intentions of modernism faded, some architects began to use large-scale graphic elements to define space. Graphic design became architecture; Endless was designed in the same spirit. Cylindrical sections and corner units allow Endless to be custom-configured as an architectural element.

### Dimensions

6in/15cm x L 59in/150cm

### Material Options

Black, bronze or brushed brass

### Lamping

Integrated LED
Wattage: 110 Watts
Lumens: 3300 Lumens
