

ENDLESS STRAIGHT 5 UNITS

BY ROLL & HILL

Jason Miller's Endless collection takes its inspiration from 1970s Super-graphics. After the reductionist intentions of modernism faded, some architects began to use large-scale graphic elements to define space. Graphic design became architecture; Endless was designed in the same spirit. Cylindrical sections and corner units allow Endless to be custom-configured as an architectural element.

Dimensions

Dia 6in/15cm x L 92in/234cm
