

FAZZO PENDANT LIGHT

BY IN COMMON WITH

A hand-shaped pendant that's both elegant and unapologetically bold. Made using the centuries-old fazzoletto technique—in which a molten glass dome is spun upside-down to create waves that resemble the wilting petals of a flower—and fitted with hand-finished brass details. Available with or without handmade dot embellishments.

Dimensions

Standard:15 ¾ in Diameter, Custom Drop Height
Petite: 5 1/2 in Diameter, Custom Drop Height

Material Options

Available in a wide selection of coloured glass and metal finishes.
