GEM BRANCH CHANDELIER

BY GIOPATO & COOMBES

Gem is a suspension lamp, in hand blown glass, made with “a lume" technique, which is another expertise within the Veneto region. The surface can be clear or with a “corroded" finish, which seams like a white moon dust coating. There are several compositions from linear to bunches. The glass gems cling to a brass tube, via brass buds which contain a proprietary led source.

Dimensions

08: 47"W x 29"D x 27"H + Drop Height
10: 59"W x 28.7"D x 29"H
14: 72"W x 32"D x 29"H + Drop Height
