

## GENT DINING CHAIR - FULLY UPHOLSTERED, WOOD BASE

### **MADE BY BY GUBI**

Designed by the design duo GamFratesi, the Gent Dining Chair is characterised by the contradiction between Scandinavian elegance and Italian dynamic lines. Strongly connected to the Masculo Chair, the new Gent Dining Chair is characterised by a distinctive backrest, expressing an almost aggressive masculinity, whilst at the same time being gentle and embracing.

The Gent Dining Chair possesses a playful balance between formality and whimsy, offering a modern twist on the classic dining chair that evokes the image of the 1950's. Its appearance is ultimately light and simple - and with no armrests, the Gent Dining Chair is practical for fitting around the table in both restaurants and private homes.
