

GROUND CONTROL TOGGLE SWITCH

BY JUNIPER

Inspired by the dials and switches of mid-century mission control rooms, the Ground Control Toggle Switch powers furniture-mounted lighting on and off. The Ground Control Toggle Switch is precision-machined from solid brass to provide a tactile feel when using the power switch. The Ground Control Toggle Switch can be installed along-side other Ground Control accessories and Juniper lighting products. At least 2 IN of clearance behind the power accessory is required for installation.

Power:
Input: 12V/24V DC, 3A max Class 2 power supply only 2.1mm x 5.5mm DC barrel jacks for output & input connections NOT FOR USE WITH AC LINE VOLTAGE
