

KIM BENCH

BY DE LA ESPADA

For his Nichetto collection for De La Espada, Luca Nichetto has been reimagining the design language of 1950s American furniture. Kim, a family of nested items including two tables and a bench, is a case in point. Available as a set or as stand alone pieces, the three items in the Kim family share common materials, while each having their own distinct form. Simple but with a strong sense of character, Kim's finished wooden surfaces straddle the boundaries between the natural and the manmade.
