

## LEGATO LINEAR

**MADE BY BY MATTERMADE**

Designed by Luca Nichetto. Legato, a musical reference indicating a smooth and unbroken connection of notes, is a modular system of lights that follows this same principle. Legato is available in both vertical and horizontal configurations. The linear fixture consists of side-by-side up-facing and down-facing cones and provides both soft reflected light from the ceiling and direct illumination, making it an excellent choice in dining rooms and over countertops.
