LEXINGTON DINING TABLE

BY ROLL & HILL

The Lexington series stems from Jason Miller's interest in American furniture combined with his fascination of Gothic architecture. Inspired by the surprisingly rational structure underlying Gothic buildings when stripped of their ornamental facades, Miller applied that framework to a series of furniture with a distinctly American feel.

Dimensions

W 84in/213.4cm H 30in/76.2cm D 36in/91.4cm
