

MADISON SQUARE COFFEE TABLE

BY TOM FAULKNER

Madison is one of our best-selling coffee tables. Its simple, elegant and classical design can be adapted to suit almost any environment. Madison can easily be tailor made to your own measurements and finished in a selection of our specialist or standard finishes (including polished stainless steel), which can then be combined with clear glass or antiqued mirror glass. It is also available as a square, round, or even oval table - the possibilities are endless! Madison is part of our hugely popular Avenues collection.
