

MARU PENDANT

BY LADIES AND GENTLEMEN STUDIO

A collection of playful and versatile pendants that consider lighting as the "jewelry" of space.
Stacked beads in copper, brass, blackened oak, maple, and clear acrylic create jewelry-inspired compositions above a simple opal glass globe. Bead stacks available in three heights (short, medium, tall). Pendants may be clustered together to create a varied arrangement of materials and textures.

Dimensions

6" globe, short or tall stack / 10" globe, short or tall stack.

Material Options

hardware finishes - brass, antique brass
globe finishes - matte white (opaque), cream (translucent), bronze (translucent), rust (translucent)

Lamping

A15 LED max 25W / up to 300V (Bulb included)
