

MILA SCONCE

BY MATTHEW MCCORMICK STUDIO

Honouring the signature attributes of the Mila pendant series, the Mila wall sconce is the long-awaited extension to the timeless product line. Lauding the subtlety in detail that makes the light so special, the Mila Sconce is a delicately balanced fixture that feels impossibly hung on its wall-mounted hub. The Mila Sconce offers a tranquil radiance in both commercial and domestic settings with a stunning backdrop in an entryway, a hallway, or as a beautiful accent to a feature wall.
The Mila Sconce is available in a 5" globe diameter, finished in a brushed brass or silk black hub and frame
