

MILE ATELIER 01

BY LAMBERT & FILS

A collaboration between Lambert & Fils and Guillaume Sasseville, Mile offers a variation on the linear suspension, pared down to its simplest, asymmetrical expression, with two lines floating in surprising equilibrium. Direct and indirect light are separated by a 90° pivot, thus marking out space with light. A play on contrasts, Mile is part art installation and part utilitarian light. The use of linear LED technology and the cords clamped into the structure add to the weightless, almost levitating feel of the lamp

Dimensions

Width 34" / 86.8 cm
Length body 78" / 80 cm
Height (body) 2.2" / 5.6 cm
Total height to be determined upon order

Material Options

Available finish
Polished Aluminum
Construction
polished aluminum body
polished steel anchors
powder coated steel canopy
frosted acrylic diffuser
braided steel cord

Lamping

Source: LED array, integrated
Power consumption: 40W
Lumen output: LED 2700K - 3124lm
LED 3000K - 3212lm
Light distribution: 29% Up, 71% Down
