MYRNA SURFACE MOUNT

BY LADIES AND GENTLEMEN STUDIO

The Myrna collection uses color, shape, and materiality to define intimate spaces through light. Embracing the naturally sinuous qualities of sheet materials, Myrna expresses simple, sculptural gestures that add warmth and dimension to interior volumes.
This surface mounted version provides a simple statement piece for lower ceiling spaces or can be mounted on a wall as an oversized sconce.
Myrna is available for custom commissions tailored to the spaces' needs.
