

NANS OUTDOOR LIGHTING COLLECTION

BY BOVER

Cala Nans is a small cove in Cadaquès accessible only by footpaths or by sea.
An unspoiled corner of the Mediterranean where the vegetation and an old lighthouse's vigil make this place a natural spot where all you can hear are the sound of the sea and of the birds that fly over the coast.
With Nans, Bover wanted to highlight the craftsmanship of the lampshades and to look for a different way of weaving by combining different colours and formats to create a true Mediterranean style.
