

PRIVATE SIDE TABLE

BY GUBI

The clear Asian inspiration that marks the work of the duo designers Space Copenhagen, means that structural details are the trait d'union of the entire Private Collection. Here the bedside table with a practical drawer and an open compartment, has a light or dark stained oak veneer finish and draws a regular parallelepiped that plays with full and empty spaces.

Dimensions

20 in W x 16 in D x 24 in H
