

RAIL BACK HIGH BACK ARM CHAIR

BY SMILOW DESIGN

The Rail Back High Back Armchair is part of the Rail Back Collection, originally designed by Mel Smilow in 1950 and officially reintroduced in 2013. This collection's sculpted wooden frames gracefully envelop you, providing for a comfortable and relaxing sit. The simple beauty, fine craftsmanship, and exceptional detail is present from every angle. Made in America since 1949 and made to last a lifetime, Smilow® Furniture defines: Enduring Modern Classics.
