

RAIN CHANDELIER

BY TRACY GLOVER STUDIO

Inspired by falling rain, this chandelier is comprised of a shower of 12" long cylinders, in variegated ombre patterns. The uneven lip at the bottom of the cylinders evokes the organic feel of softly falling rain.

Dimensions

Canopy shown is 36" diameter but is customizable in shape and size; can be round, square or rectangle
Number of cylinders per canopy is also customizable
Cylinder glass is 12" x 2.25"
Cord is field adjustable
