

BASE REVERS LOUNGE CHAIR - FULLY UPHOLSTERED, WOOD

BY GUBI

The new Revers Lounge Chair by GUBI is a soft and sinuous interpretation of classic shapes and structures. Taking its name from the silhouette of a revers, the gently curved shell appears like a jacket that embraces you, while the elegantly sweeping edges are reminiscent of the form of the revers. With its clean lines and simple details, yet sturdy and exclusive materials, the Revers Lounge Chair brings forward fresh and different opportunities for use and styling in combination with the entire GUBI collection of modern contemporary classics.
