

SAIA DINING CHAIR

BY DE LA ESPADA

Saia is an upholstered shell chair with a wooden leg. Designed for contract use, the pared down design is made of few components, while maximising comfort and durability. The proportions were carefully considered for ergonomics, beauty, and performance in a variety of environments.

Dimensions

W22 4/5 × D23 2/3 × H31 1/3 "

Material Options

Upholstered in a wide selection of De La Espada Textiles and leathers.
