

SELA DINING CHAIR

BY DE LA ESPADA

Sela dining chair, designed by Luca Nichetto, reflects a passion for woodworking, with a tactile timber form with beautiful joinery. An exquisite leather seat, custom made by a Portuguese saddlemaker, is suspended from the chair frame, then softened with upholstered cushions. Sela boasts an ageless appearance with a contemporary edge; the perfect blend of natural elements, craftsmanship, and timeless appeal. Available with or without arms and with a seat and back cushion for extra comfort, or with a back cushion only to showcase the leather seat.
