

SIDEWAYS SOFA

BY CARL HANSEN & SON

As digital devices challenge our traditional ways of conversation, the Sideways Sofa provides an equally modern antidote to dialogue and discovery — and, not least, downtime. Made in Denmark and created by award-winning Danish designer Rikke Frost, the distinctive design eschews the traditional forward-facing sofa in favor of a sideways position that encourages more natural conversation.

In keeping with Carl Hansen & Søn's DNA, where uncompromising craftsmanship and thoughtful expression seamlessly merge. Classic in its use of materials and contemporary in its form, the Sideways Sofa invites both comfort and conversation.
