

WISHBONE DESK

BY SKRAM

Skram's original wishbone drawer desk is offered in 2 standard models and a variety of hand book-matched veneers and metal finishes. Hardwood veneer longwoods are hand book-matched. Construction is mitered with 'waterfall' edges and mortise-and-tenon joinery. All edges and corners are reinforced with solid timber for added durability. These models have three drawers in solid maple with cork-lined bottoms riding on soft-closing concealed runners and opening via low-profile tab pulls (matched to metal finish). The W26 & W27 desk drawers also include integrated machined cork pencil trays. Integrated connectivity and wire management options are available for this product. Custom sizes, configurations, and materials are available. Residential or contract use.
