

SOLO TALL VITRINE

BY DE LA ESPADA

Solo Tall Vitrine, part of the Solo Series, reflects the same warm modern aesthetic, thoughtful functionality, soft curved edges, and beautiful detailing of the rest of the series.
This glass vitrine features curved glass and rounded ends that can integrate harmoniously with other furniture pieces. The expansive dimensions of the unit, combined with large areas of clear glass and even clear glass as shelves, create an impressive display where the objects within are the main visual highlight. A simple, elegant solid wood armature frames the display, with details including machined brass handles and a slender leg frame.
